

# AIA Palomar

A Chapter of the American Institute of Architects

## The Second Annual AIA/CSI Architects Industry Mixer

**[REGISTER ONLINE NOW](#)**

Join AIA Palomar and San Diego CSI as they celebrate construction and design in San Diego County. Complimentary hors d'oeuvres, wine and a popular Stone Brewing beer will be served during the Mixer. Meet and greet with industry representatives whose newest products and latest technologies are shaping the buildings of the future. The Industry Mixer invites architects, engineers, specifiers, estimators, and general contractors to meet with vendors in the garden area of the famous Stone Brewery. As a special treat this year, we have students from Woodbury Institute building a scaled model of the Salk Institute in the middle of the garden. Raffle tickets will be sold to benefit the AIA and CSI Scholarship Funds. The Salk Institute model will be awarded to the lucky winner at the end of the Mixer. Mark your calendar to join in the fun!

**Date: WEDNESDAY, July 23, 2008**

5:30-8:30 PM – Tabletops

7:00 PM – Presentation

**Location:**

Stone Brewing World Bistro & Gardens
